

Dear Community Business,

The Christian Community Center of Harlan (CCCOH) is a community centered ministry center for the continuing development of the Spiritual, Social, and Economic success of our community and surrounding area. We purchased this building 5 years ago for the purpose of reaching and helping this community to thrive through Christ centered ministry. A few of the benefits to the community from the CCCOH are a Christian Daycare operating year round with enrollment over 100 children. We also host several church's that meet in the building weekly, along with several business using space.

We also rent out the gymnasium, kitchen and cafeteria for concerts, sporting events, weddings, birthday parties, graduations, Red Cross blood drives, (free of charge) leadership conferences, bible schools, and in the summer and fall of 2019 our football field was being used for the first time by our resident home-school team.

With all of the activity happening, our desire is to maintain and update the building and property. With that, we are announcing our **CHRISTIAN COMMUNITY CENTER SPRING AUCTION** happening on **April 17th, 2020**. The proceeds will go towards several projects that need attention: 1. finish metal roof. 2. Resealing the parking lot. 3. Electrical connections to apartment style climate control units for each room. 4. Refinishing the gymnasium floor

Today we cordially invite you to attend the **CHRISTIAN COMMUNITY CENTER SPRING AUCTION** on **Friday April 17th, 2020**. There will be a meal served along with a live auction, silent auction, and a raffle. Would you consider supporting the community center by donating products/services for our auction or becoming an event sponsor? We are a non-profit organization with 501c3 for tax deductible donations.
